

MISSION PARTNERSHIP
SISTERS OF OUR LADY OF THE MISSIONS “SOLIDARITY WITH SOUTH SUDAN”
TERM 2 FUNDRAISING

- 2022 Connection: We made cards and wrote messages to our friends.
- 2023: Celebrating our 50 years. Fundraising to keep Ndoromo School open.

BACKGROUND:

Our founding sisters are committed to providing education in areas of need.

They did this in Rockingham in 1948 Sacred Heart Catholic Primary School, Point Peron (Turtle Factory) and in 1973 by request of and funded by Our Lady of Lourdes Parish, Rockingham with the establishment of Star of the Sea CPS.

In thanks for 50 years celebrations, Star of the Sea Catholic Primary School community are invited to give thanks for our school by helping our friends in Ndoromo School, South Sudan, to secure the ongoing provision of education to the children there. Let’s remember the missionary spirit of our founding sisters and ‘pay it forward’ so that other children in the world have access to a good school.
